

BHF PROTECT-TAVI

NEW SITE

A warm welcome to the team at **Blackpool Victoria Hospital** for randomising their 1st participant! We now have **19** open sites!

OCTOBER RECRUITMENT

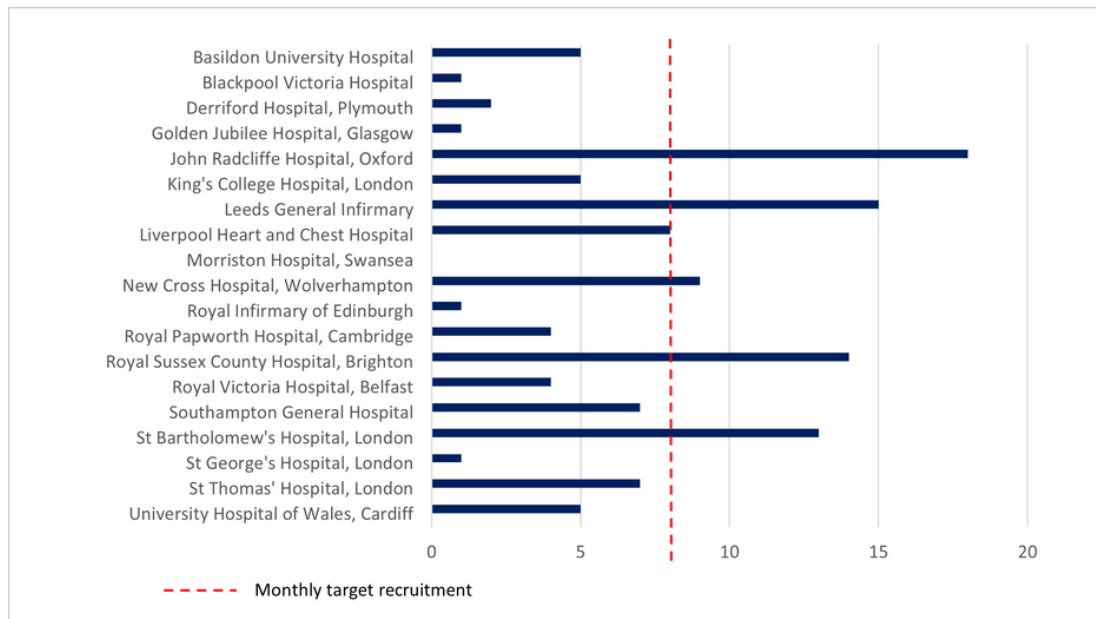

Chart above shows the number of participants recruited per site in October (blue), alongside the monthly recruitment target (red).

NIHR ASSOCIATE PI SCHEME

BHF PROTECT-TAVI has now been registered for the NIHR Associate PI scheme. The aim is to develop doctors, nurses and allied health professionals to be PIs of the future. The scheme is open not only to trainees, but any clinician who does not have any academic activity.

Applicants can register to be an Associate PI once they've obtained approval from their local PI. To register please visit:
